Fees Academic Year 2011/2012

Fees are payable in advance and must be paid by **the first day of term**. A charge of £50 is automatically made on fees which remain outstanding after the first day of term, together with interest, at 2% above the Bank of England base rate, until the account is paid. The Bursar's Office will provide, on request, details of a third party finance company that provides monthly payment facilities. **Unless a full term's notice in writing is given before a pupil is either withdrawn or relinquishes a place that has been accepted, the fees for the full term will be charged.** Extra subjects, individual needs, subject support, EAL lessons and use of the school buses are offered on a full term basis only. **Notice to discontinue must be given by half-term**, to take effect from the beginning of the next term.
