

Alcohol and Smoking

- Pupils caught in possession of or using tobacco or alcohol on the school site or in any pupil related school activity will face automatic suspension.
- Pupils involved in solvent abuse will also be suspended.
- On returning to school pupils involved in the above offences will also be given community service of up to 15 hours.
- Pupils who re-offend will face permanent exclusion.

Full discussions will be held with parents/guardians following the discovery of the above substances and procedures will follow those stated in the Discipline Code
