

To Year 10 Parents

30 January 2012

Dear Parents

Take your son/daughter to work day – Monday 26 March 2012

Take your son/daughter to work day provides pupils with an opportunity to experience a day at a parent’s workplace. This day can give them a valuable insight into the world of work.

There is no longer one national day when this event takes place so this day will be incorporated into one of the enrichment days for those pupils who are not going on the geography field trip. In order to minimise disruption to GCSE classes, we would like pupils who are taking geography GCSE to experience their work day during one of the school holidays.

The school has set aside Monday 26 March 2012 as the day when those pupils who are not on the geography field trip can go to work with a parent. (Please note that there will be no alternative school activity planned for that day).

If your son or daughter is not going on the geography field trip, please complete the slip below and return to me by **Monday 27 February 2012** at the latest.

Yours sincerely

Mrs Pamela Rider
Head of Careers
